

How to get to the National Institute of Physics, UP Diliman for the ASOMPS XV/22<sup>nd</sup> NPSP Annual Convention:

By private car:

1. There are five portals that can be used to enter UP. The most common entry is through the University Avenue (red line). The nearest entry is via the gate in C.P. Garcia Ave (purple arrows)
2. If entering via University avenue: Follow the red arrows in the map and make your way towards the National Science Complex (NCS). Once in the NCS, follow the black line leading to NIP.
3. If entering via C.P. Garcia: Follow the purple arrows in the map going to NCS. Once in the NCS, follow the black line leading to NIP. (Note: this gate requires UP ID to enter)
4. If entering via any other gate: Make your way towards the UP Oblation then follow the red arrows going to the NCS. Once in the NCS, follow the black line leading to NIP.

By public transport.

1. Via SM North, Quezon avenue, or Katipunan Jeep: Take the respective jeepneys going inside UP and get off at the common jeepney terminal located at Vinzon's Hall.
2. Option 1: Walk towards the NIP by following the green lines on the map
3. Option 2: Cross the road going to the side of College of Education and wait for a TOKI Jeep. Ride the TOKI Jeep and alight at the NIP.
4. You can also go down the SM North, Katipunan, and Quezon Avenue Jeepneys in the waiting sheds going to Admission Office and beside Palma Hall (marked in orange diamonds in the map) and wait for TOKI Jeeps.
